List of USDA Approved Airports for Garbage and Galley Refuse Disposal [page N-1-1](#)

Introduction

This appendix lists airports that have facilities and procedures approved by USDA, APHIS, PPQ to handle and dispose of garbage and galley refuse from international flights (Title 7, CFR 330.400 and Title 9, CFR 94.5). Galley refuse and garbage cannot be removed from an international arrival (**except** from Canada) at any other airport, but must remain aboard the aircraft and be taken to an approved airport or taken out of the country. Ports identified with a superscript¹ are those ports where Plant Inspection Stations are located.
